

Corn Maze Equipment Auction

*** Now in progress until Sun. April 30th @ 9 pm (EST)**

My family and I have had the privilege to provide a corn maze for our community for the last 10 years and it's been an absolutely amazing experience! It's now time for a change and we'll be auctioning all of our corn maze equipment, ideal for a party interested in starting an agri-tourism business or adding a corn maze to their existing agri-tourism activities. No real estate is available, just items and equipment.

To simplify things and cut down on costs, we're skipping eBay and doing things the old fashioned way. We also know that everyone may not have an eBay account so hopefully this will make bidding easier. Due to request, we've divided the items into several lots, rather than selling everything as a single package, to better accommodate you all. Scroll down this page to find a list of all items in each lot, including photo and video links for each.

We have posted the photos and videos to facebook. If you do not have a facebook account, click on "Not Now" when prompted to Log-In. If you have trouble viewing photos or videos, please let us know.

We are accepting private bids on each lot from now until Sunday April 30 @ 9 pm (EST) We have determined an undisclosed minimum bid or "reserve" for each package or "Lot".

Placing a bid:

1. Email your highest bid to DepnerFarms@gmail.com (please do not comment on Facebook) If unable to email, you may text to (989) 963-9531.

2. Clearly specify the Lot # and title for each bid you make.

3. Include your first and last name, address and phone number.

At the end of each day, we will email all participants (bidders, and also those who have asked us to keep you in the loop) indicating the highest bid on each Lot #. If you are outbid, you may email new bids as many times as you wish until the auction ends. After the bidding ends, everyone will receive an email with the final results. In case of two equal bids above a reserve, we will accept a final tie breaking bid from both parties.

If you have been notified as the highest bidder, please make contact with us within 2 days to make arrangements to pickup your items. You are responsible for picking up and transporting all items. If you need help finding a moving service in our area, let us know and we'll be happy to provide a reference or two.

Preferred payment is cash at the time of pick up. Personal or business checks must be mailed in advance and we will notify you when your check has cleared. Items may not be picked up until we are confident your check has fully cleared.

It's important that you feel comfortable with what you are bidding on. Therefore if you have any questions about any items, or if you would like to see any items before the bidding ends, email, call or text. Please do not "comment" your questions on Facebook as we won't be able to respond and keep up with them. If you contact us directly we'll try to answer questions the best we can.

Thank you very much for your patience while we were getting everything organized. We appreciate your interest and hope you have as much fun with these items as we have had over the years.

Sincerely,
